To: Council of Mayors Executive Committee

From: CMAP Staff

Date: May 27, 2025

Subject: FFY 2026-2030 CMAQ, STP-SF, and TAP-L Programs

Action Requested: Discussion

Purpose

On May 15, 2025, the STP Project Selection Committee (PSC) approved the attached STP-Shared Fund (STP-SF) program and the CMAQ and TAP-L PSC approved the attached Congestion Mitigation and Air Quality Improvement (CMAQ) and locally programmed Transportation Alternatives (TAP-L) programs. The programs consist of 40 projects to be funded over the next five federal fiscal years (FFYs). The programs include STP-SF funding for 8 projects, CMAQ funding for 27 projects and TAP-L funding for 5 projects. The new projects were selected by applying performance-based selection methodologies to the 88 project applications received in response to the call for projects issued in October 2024.

Draft programs were available for public comment from April 4 through May 2, 2025. Three comments were received in support of a project included in the TAP-L program and one comment was received requesting the inclusion of five projects that were not submitted by eligible sponsors during the call for projects' application period. Based on the nature of the comments, the PSCs made no changes to the draft programs.

The recommended programs have been incorporated into TIP amendments [25-09.1](#), [25-09.2](#) and [25-09.3](#) and will be considered by the Transportation Committee on May 30, 2025 for recommendation the CMAP Board and MPO Policy Committee for final approval.
