MEMORANDUM

To: MPO Policy Committee
From: CMAP Intergovernmental Affairs Staff
Date: March 12, 2026
Subject: Legislative update
Action Requested: Information

FEDERAL

FY26 appropriations

The FY26 Transportation, Housing, and Urban Development (THUD) spending bill was signed into law on February 3, 2026, and provides \$25.1 billion in discretionary funding for USDOT and \$83.2 billion for transportation programs, totaling roughly \$108 billion in budget authority for FY26.

Overall, the bill preserves core highway and transit formula programs, while redirecting \$2.3 billion in unobligated IJA funding into the Highway Infrastructure Programs account and includes roughly \$2.3 billion in earmarks for projects requested by House and Senate members.

STATE

FY27 budget proposal

On Wednesday, February 18, Governor Pritzker delivered the annual Budget and State of the State address to the Illinois General Assembly. The governor's FY27 proposed budget anticipates \$56.055 billion in total revenues, reflecting an increase of \$830 million, or 1.5%, from the current fiscal year. Expenditures are expected to total \$56.032 billion, an \$878 million or 1.6%, from the current fiscal year. The proposal does not include any new income or sales tax increases but introduces a new state tax on social media companies, which is scaled according to their number of Illinois users.

Additionally, the governor's FY27 capital budget proposal includes \$57.4 billion in funding for the Rebuild Illinois program. The proposal includes an additional \$3.2 billion in bonding authority to expand site readiness opportunities, support affordable housing initiatives, and enhance the appearance and safety of state-owned properties.

The governor also outlined his policy priorities for this legislative session, which include addressing Illinois' growing housing shortage by spurring new housing construction and development. The governor is proposing the Building Up Illinois Developments (BUILD) initiative (HB5626), an omnibus bill that includes statewide zoning regulations, standardized construction processes, and grants for housing and infrastructure development.

CMAP staff are in the process of analyzing the governor's FY27 operating and capital budget proposals to understand how it aligns with regional priorities.

General legislative activity

The General Assembly's 2026 regular session is currently underway and scheduled through May 31, 2026. Key legislative deadlines include March 13 for Senate bills to advance out of committee and March 27 for House bills.

CMAP staff tracks legislation before the General Assembly that impacts the region and is relevant to CMAP's work. The following has been identified by CMAP staff as key pieces of legislation being considered before the Illinois General Assembly that may be of interest to the MPO Policy Committee.
