

MEMORANDUM

To: Climate Committee
From: CMAP Staff
Date: November 29, 2022
Re: 2023 Climate Committee Schedule
Action: Approval

The Climate Committee guides and supports CMAP's climate-related initiatives and implementation of the region's comprehensive plan, ON TO 2050. It reviews and provides input on CMAP's strategic direction, work plan, and climate projects.

The Climate Committee is a standing committee of the CMAP Board and serves as a resource on climate issues to the agency's committees, working groups, and staff. Its members bring a broad, regional perspective to CMAP's climate work.

Proposed Committee Meeting Structure

The quarterly meeting structure facilitates the Committee's work by focusing on CMAP's climate goal to be "a region that takes action to mitigate and adapt to the effects of climate change and preserves high-quality water resources." Quarterly meetings will be organized by thematic objectives to achieve this goal.
