RE: 02-19-0016
Village of Glenview
Waukegan and East Lake Avenue Intersection Project

Dear Jon and Doug

The Village of Glenview is requesting to reinstall funds for the above referenced project. The Village has made progress toward completing the construction phase. The Phase II has been completed and plans are in the final stages of approval and ready for letting, pending state approval of the ROW agreements.

Here is the link to the pre-final plans submitted to IDOT back in May.
