Jon,

The City of Geneva is requesting reinstatement of TAP-L Funding into the Active Program for the subject project. The funding was originally approved as part of the CMAQ Multi-Year Program for Northeastern Illinois – FFY 2016-2018 by the CMAP Board and MPO Policy Committee on October 14, 2015. These two grants consisted of \$452,550 (Bicycle Facility) and \$4,083,068 (Intersection Improvement). We are requesting this funding be moved into the active program.

Feel free to contact me with any questions you may have.
