Project Identification

Please provide the project identification exactly as it appears in the CMAQ or TAP programs. The current Program Summary Report can be found on the CMAQ Program Management and Resources page of the CMAP website (<http://www.cmap.illinois.gov/mobility/strategic-investment/cmaq/program-management-resources>).

Currently Programmed Schedule

Please provide the currently programmed federal fiscal year (FFY) for every phase (use the appropriate phases for your project), including completed phases. The FFY begins on October 1 and ends September 30 of each year. Enter N/A for ROW if no ROW is required for the project.

Requested Schedule

Please provide the requested starting federal fiscal year (FFY) for every phase (use the appropriate phases for your project), including completed phases, and the actual or anticipated date of federal authorization (or letting date for the Construction phase). For phases that are not federally funded, indicate the date that contracts will be executed or in-house work will begin. The FFY begins on October 1 and ends September 30 of each year. Enter N/A for ROW if no ROW is required for the project.

Note: If the requested schedule change moves a phase(s) into any year earlier than the year it was initially programmed in, the phase's sunset year will be changed to a corresponding earlier year. For example, if funds that were initially programmed in FFY15, with a sunset of FFY17 are reprogrammed in FFY14, the sunset will be changed to FFY16. Schedule change requests to move a phase(s) to a later year will not, however, result in the sunset year moving back as well. For example, if funds that were initially programmed in FFY15, with a sunset of FFY17 are reprogrammed in FFY16, the sunset will remain FFY17.

Reason for Request

Briefly describe the reason for the schedule change (this information will be used to develop the PSC agenda).
