Martha Trotter, Sikich Representative, presented the draft of the FY 2023 financial audit and single audit report. Based on the audit, Sikich has issued a clean unmodified opinion, the highest level of assurance Sikich can provide, related to the accuracy and fairness of the presentation of the agency's financial position and conformance with generally accepted accounting principles. Sikich did not identify any material weaknesses but did identify a deficiency in internal controls. It was noted that CMAP has included a response in the Corrective Action Plan that will mitigate future errors.

(Member John Noak arrived at 11:09 a.m.)

Erin Aleman, Executive Director, highlighted that the new ERP system approved by the CMAP Board will make detailed, itemized reports automated and therefore anticipates that this will support the finance department moving forward.
