Authorization to enter into a contract with High Street Consulting Group as a result of RFQ 295 for 2026 Regional Transportation Plan (RTP) consulting services for a term up to 24-months with three, one-year optional renewals, in an amount not to exceed \$880,000

**ACTION REQUESTED:** Approval

**PURPOSE & ACTION:** The Chicago Metropolitan Agency for Planning (CMAP) is seeking to enter into a contract with a consultant to support the development of the Regional Transportation Plan (RTP) to augment existing staff capacity to coordinate with member agencies, conduct public outreach, perform regional analysis, develop static and online mapping products, and draft and finalize a plan document that can be referenced and understood by decision makers, member agency staff, and the public.
