
Name: Climate Committee

Type: Committees

Description: The Climate Committee guides and supports CMAP's climate-related initiatives and implementation of the region's comprehensive plan, ON TO 2050. It reviews and provides input on CMAP's strategic direction, work plan, and climate projects.
The Climate Committee is a standing committee of the CMAP Board and serves as a resource on climate issues to the agency's committees, working groups, and staff. Its members bring a broad, regional perspective to CMAP's climate work.

Committee Liaisons: Jason Navota - jnavota@cmmap.illinois.gov Nora Beck - nbeck@cmmap.illinois.gov
