2022 Highway Safety Targets

ACTION REQUESTED: Approval

PURPOSE & ACTION: Under federal law, State departments of transportation and MPOs are required to establish quantitative highway safety performance targets on an annual basis and use a set of performance measures to track progress toward the long-term goal of eliminating traffic related fatalities and serious injuries on all public roads. Staff will summarize the proposed 2022 highway safety targets and requests the committee approve recommending the targets to the CMAP Board and MPO Policy Committee for approval.
