Sole source contract approval with Eno Center for Transportation in the amount of \$250,000 and cooperative contract with HNTB in the amount of \$300,000, for various transportation planning services in support of the Plan of Action for Regional Transit (PART) project approved by Executive Committee

ACTION REQUESTED: Information

PURPOSE & ACTION: The Illinois General Assembly passed legislation requiring CMAQ to complete an analysis and make recommendations for the future of the transit system in northeastern Illinois. The broad scope and accelerated timeline of the reports required that CMAQ solicit external support to complete the work by the required deadline.

At its November 9, 2022 meeting, the CMAQ Board delegated its authority to the Executive Committee to consider and approve contracts required to complete PART. The Executive Committee met on December 14, 2022 and approved contracts with Eno Center for Transportation and HNTB. Consistent with the bylaws, the Executive Committee is reporting its actions to the CMAQ Board.
