Contract for an 18-month agreement with StreetLight Data for the Speed Data Project: processing connected vehicle data and crash characteristics, for a not-to-exceed amount of \$375,890

ACTION REQUESTED: Approval

PURPOSE & ACTION: CMAP was awarded a Statewide Planning and Research (SPR) grant to evaluate speed data in the region and its association with traffic crashes, serious injuries, and fatalities. Following a review of consultant responses and qualifications to the Request for Proposal (RFP), Streetlight Data is the selected vendor for the project. This project will be funded through an IDOT SPR grant.
