### CMAQ Performance Plan

**ACTION REQUESTED:** Information

**PURPOSE & ACTION:** The National Performance Management Measures and the PM3 regulation requires each MPO serving a transportation management area (TMA) with a population over 1,000,000 that includes a nonattainment or maintenance area to develop a CMAQ Performance Plan to support the implementation of the CMAQ measures. CMAP staff will provide an updated on the plan for the 2<sup>nd</sup> Performance Period which is due October 1, 2022.
